Honorable Mayor Greg Stidham and Board of Aldermen
City of Fayette
117 South Main Street
Fayette, Missouri 65248

From Mayor Stidham and Board of Aldermen:

In accordance with Missouri Revised Statutes Chapter 67 Section 67.010, the annual budget for fiscal year beginning July 1, 2024 and ending on June 30, 2025, ("Fiscal Year 2024-25") is hereby submitted. This budget, as noted in state statutes, describes the important features of the budget and any major changes from the preceding year. It also provides:

- A general budget summary;
- Estimated revenues to be received from all sources for the budget year, with a comparative statement of actual or estimated revenues;
- Proposed expenditures for each department, for the proposed budget year, current budget year, and two years preceding, itemized by year.
- The amount required for the payment of interest, amortization, and redemption charges on the City's debt.

OPENING COMMENTS

As you are aware, the City has not had a formal completed audit since fiscal year 2020. The City has acquired the services of John W. Gilliam, CPA, LLC of Kirksville, Missouri to complete the 2021/2022 and 2022/2023 fiscal year audits. We expect the 2021/2022 audit to be completed prior to 7/31/24.

While Chapter 67.010 RSMo. requires revenues to exceed or equal expenditures in all funds, State law allows the City to use all resources including beginning cash balances to be counted as revenues.

Recommendations that are suggested throughout this budget include:

- A new City Manager
- A need for cross training administrative staff
- A need for a new Building Inspector (Shared expense)
- A need for an update of the City Comprehensive Plan

- Improved reporting to the public and City Council

The Fiscal Year 2024-2025 Budget (July 1, 2024-June 30, 2025) for the City of Fayette is enclosed. The FY25 Budget forecasts revenues of \$6,625,764.00 and expenditures of \$6,202,916.00. A budgetary summary is shown below and a budget detail is attached.

	<u>Revenues</u>	<u>Expenditures</u>
General Fund	\$1,755,450.00	\$1,563,279.00
Electric Fund	\$2,934,812.00	\$2,728,592.00
Water Fund	\$1,157,188.00	\$1,144,487.00
Sewer Fund	<u>\$ 778,314.00</u>	<u>\$ 766,558.00</u>
Total	\$6,625,764.00	\$6,202,916.00

The function of the City of Fayette Government is to provide city services to the citizens of the community in a timely, efficient and most cost-effective manner possible within financial constraints.

Administrative salaries have been allocated across funds once again for the 2024/25 fiscal year. The salary of the Building Inspector will also be allocated across funds. A 5% salary increase has been budgeted.

The Street Department budget has increased in the 2024/25 fiscal budget. The Street Department includes funds for some street overlays. The Board of Aldermen plan on using money in sinking funds to assist in the overlay of Church Street to coincide with MODOT repaving project. Pot hole repairs, street overlays in targeted areas and engineering fees to develop a five-year plan are other budgeted items.

The Parks Department budget for the 2024/25 fiscal year includes money budgeted for dam repair at Rickett’s Lake.

The Board of Aldermen anticipates continuation of the City being a member of the Moberly Area Economic Development Corporation through the Howard County Economic Development Council, as well as Fayette Main Street, Inc., known as Downtown Fayette, thus budgeted funds will remain the same.

The Electric budget reflects a slight increase in revenue for the 2024/25 fiscal year. Expenditures in the Electric Distribution Department are projected to increase for the 2024/25 year as the city continues to improve the electrical grid. Franchise fees for the electric fund will remain at 7%.

The Water Fund revenues will increase slightly in the 2024/25 fiscal year. Franchise fees will remain at 7% for the water and sewer funds.

The Sewer Fund revenues are projected to increase for the 2024/25 fiscal year. Staff continues to concentrate efforts regarding inflow and infiltration (I & I) reduction in the city's wastewater collection system.

The City of Fayette, Missouri, has three, long-term bond issues for the year ending June 30, 2024. They are:

- USDA Series 2010 (Build America Bonds) and have a 35% interest subsidy. The subsidized interest amount is 2.68%. The annual payment, including subsidy, was \$136,863.84. There is \$1,228,613.00 principal remaining to be paid.
- Series 2021 Revenue Bonds has an interest rate of 2.02%. The payments for fiscal year ending 2024 were \$139,785.00. There is \$2,585,000.00 bond principal remaining.
- Series 2022 USDA bonds have an interest rate of 1.625% and a required annual payment of \$121,852.00. There is \$978,958.86 remaining in bond principal.

Insurance expenditures have been budgeted with an increase for automobile, liability and property insurance and also an increase for workers compensation insurance.

The 2024/25 fiscal year budget does reflect a proposed 5% pay increase for hourly and salaried city employees, excluding seasonal employees, volunteer firemen and elected officials.

The Mayor, Board of Aldermen and city personnel will remain fiscally responsible and meet the demands of providing city services to our citizens in an efficient and cost-effective manner. As with any budget this is only a tool to help guide the administration along with the Board of Aldermen through the fiscal year to be transparent and open with the citizens as to the City's finances.
