## 2021-2022 Open House schedule

**O**pen House for the start of the 2021-22 school year will be held on **Thursday, August 5**. In order to help parents who have children in more than one school within the district, times will be staggered.

- Elementary Schools will be open from 5-7 p.m.
- Middle Schools will be open from 6-8 p.m.
- Okeechobee Achievement Academy will be open from 6-8 p.m.
- Okeechobee Freshman Campus will be open Thursday from 7-9 p.m.
  - Sophomore Open House will be Wednesday, August 4 from 6-8 p.m.

The 2021-22 school year will begin on **Tuesday, August 10**.

Masks and COVID-19 vaccinations are voluntary for the 2021-22 school year. If you do not attend Open House, student schedules will be available on Skyward Family Access.

## During unprecedented times, all of us had to conquer something

“Forward ever be our watchword, conquer and prevail.” Many of you recognize these words as a part of Okeechobee High School’s Alma Mater. No truer words have represented our work, our resiliency, and our tenacity for the past two years. During unprecedented times, all of us have had to conquer something, and thank goodness we have prevailed. The heroic efforts of our students, parents, staff, and teachers in conquering hardships with COVID, Option 2 (thank goodness that expired), temperature checks, masks, mass feeding, social distancing, exclusions, and quarantines demonstrate that by working together we can accomplish almost anything.

Looking forward, we welcome a new school year that reflects the traditional start we have experienced in the past. New this year, the Florida Legislature mandates all students in grades ninth and eleventh learn first aid including CPR and use of an AED, requires all schools to participate in a moment of silence, demands an emergency 911-notification system accessible to all employees,

and thankfully, after six years, funded our quest to rebuild Okeechobee High School. We cannot thank our Legislators enough, especially our local delegation, Senator Ben Albritton and Representative Kaylee Tuck, for supporting this new venture. Like you, I can’t wait!

Thanks to Dr. Pat McCoy and her staff recruits, summer school attracted all time record student numbers. This is the first of many steps we are taking to address the loss of learning we experienced over the past two years. We are transitioning to the BEST standards, adopting new instructional materials, creating a new vision for effective instruction and focusing on teaching and addressing the missed standards due to interruptions.

We eagerly await open house and look forward to seeing all our students on the first day of school. Bus drivers are ready to run routes, food services staff are prepared to serve meals and support staff and administrators are delighted to welcome students. It is refreshing to start a new school year after custodians and maintenance crews have scoured each

campus, teachers have studied new curriculum and techniques to implement, and we have hired new talent from within and into our community. What a venture it will be.

If you have not done so already, be thinking about immunization records, bus schedules, and school registration if entering for the first time, changing schools or coming back from virtual. Avoid waiting until open house or even the first day of school to address these situations to create a smooth opening.

Partnerships between schools and families were reinforced during COVID. Let’s build on that work and admiration this school year and make it the best ever.

Sincerely,

**Ken Kenworthy**

Superintendent of Schools

# Central Elementary strives to put students first

**W**elcome to the 2021-2022 school year at Central Elementary School, Home of the Panthers! I hope you have enjoyed your summer. We look forward to kicking off a new school year of learning together. Thank you so much for choosing Central Elementary to educate your children.

We will strive to continue our pledge of putting students first and we continue to commit to raise a strong culture of successful life-long learners, through the building of strong relationships. We will focus on safety, student achievement through rigorous and data driven instruction, character education, social-emotional well-being, and building a culture of reading in a diversity rich learning environment. We believe that all students are empowered to achieve success when immersed in a powerful learning community that values a diverse student body and is centered on core values, as well as a shared commitment to achieving academic excellence. It is our belief that as we focus on our mission and vision for our students, our school will excel!

**FIRST DAY OF SCHOOL:** August 10th

**SCHOOL HOURS:** Classes officially begin at 8:10 a.m. with adult supervision and drop off beginning at 7:30 a.m. Any student dropped off after 8:10 a.m. must be accompanied, into the office, by an adult to be signed in. Students will be dismissed at 2:50 p.m. and adult

supervision ends at 3:15 p.m.

**ATTENDANCE/TARDIES/CHECK-OUTS:** To the extent possible, we ask that students arrive on time and attend school everyday, all day. Not only do we not want students to miss valuable instructional time, but it can also interrupt the instructional time of others. We ask that you try to schedule appointments for your child after school. In the event that you need to checkout your child prior to the end of the day, please do so no later than 2:30 p.m. Students will only be released to parents in the pick-up line. After 3:15 p.m. students may be picked up from the office front gate.

**MEALS:** Breakfast and lunch will be provided at no cost to all students.

**OPEN HOUSE:** Our first family event will be OPEN HOUSE on August 5th. Watch our Facebook account for more details at: [facebook.com/CentralElementaryOkee](https://facebook.com/CentralElementaryOkee). This will be a wonderful opportunity for you and your child to meet your child's teacher and take a tour of the school. This is a great time for children to become acquainted with their teacher and their school. School t-shirts will be available for purchase, as well as yearbooks. Parents of Kindergarten students may walk their child to the door only, the morning of August 10th.

**AGENDAS:** All students will be provided with a school agenda which contains our Student Handbook in the front. We ask that you and your child sign the Compact at the end

of the Student Handbook as we all agree together to value education and do our part.

**VISITORS/ACCESS:** We hope to slowly increase family events as the year progresses, such as Open House, Award Programs, and other Family Engagement Events. Campus access will continue to be limited, but we will gladly take your call in the office to set up a phone conference or Zoom Meeting with your teacher(s) should you need assistance.

**PARENT & FAMILY ENGAGEMENT:** During Open House, you will have the opportunity to learn more about AND join our School Advisory Council (SAC), Parent Teacher Organization (PTO), and Panther Partners. These organizations are opportunities for stakeholders to give input regarding our school budget, school improvement initiatives, fundraisers, school activities and student

incentives. Throughout the year, workshops will be provided to help families support academics both at school and home.

I look forward to working with you as we help each child at Central Elementary meet their goals and have a successful school year! Enjoy the remainder of your summer and I will see you soon!

GO  
PANTHERS!

## School Bus Safety Tips

- Stand on the sidewalk while waiting for the school bus, staying at least two giant steps away from the curb or road.
- Wait until the bus comes to a complete stop and the driver says it is okay to board before stepping on the bus. Remember to hold the handrail when getting on and off the school bus!

- Never push or shove while getting on the bus or waiting at the bus stop.
- Stay quietly in your seat while riding the bus, and never stick your hands, feet or any part of your body outside of the bus window.
- Never cross the street behind a school bus. Always cross at least 8 steps in front of the bus where the driver can see you.

# Everglades Elementary School welcomes students

**W**elcome to Everglades Elementary School, where we are proud of our school, our students, our staff, and the outstanding community of parents who provide wonderful support to our school. It is my pleasure to extend a warm welcome to you as you begin the 2021 - 2022 school year with us.

Everglades Elementary School faculty and staff are devoted to helping children develop academically, socially, and emotionally. Our school strives to have a safe atmosphere where our children will take risks and experience success on a daily basis.

Creating a solid foundation for our future school success requires not only instruction in the basic skills, but also fostering a true love of learning in each child. Countless efforts will be made each day to inspire our children's naturally curious minds.

We are thrilled our students take an active role in their daily education, and we thank our parents and guardians for taking advantage of the web-based systems the district provides for us and supporting the educational process at home.

I'd like to welcome our new and returning faculty and staff members to Everglades Elementary School. They are extremely excited to welcome our children back to school.

We would like to extend an invitation for you to become an active member of our Parent Teacher Organization, School Advisory Council, and Parental Involvement Committee. We are happy to have you and your children with us at Everglades Elementary School.

The faculty and staff and I are all looking forward to getting to know and work with all of you to ensure that each and every student in the school

is successful this year. To that end, we ask that all students come to school on time each day with all of their required materials prepared to do their best. Success is a team effort and every player, the students, the staff, and the parents are all integral parts of that team. When every player does their best, everyone wins!

Please join us on Thursday, August 5th from 5:00 p.m. to 7:00 p.m. for Open House.

The students' first day back is Tuesday, August 10th. Let's make the 2021 - 2022 school year one of our best yet!

Go Gators!

Jenni Ellis  
Everglades Elementary  
School Principal

# North Elementary is proud to be the home of the Tigers!

**W**e are excited to welcome everyone into the new school year! With the challenges of 2020 behind us, we have set our eyes on the new and promising opportunities for learning. First and foremost, we are committed to helping every child feel welcomed, connected, and part of North Elementary School - the home of the Tigers. Our efforts in maximizing positive outcomes for students have been recognized by the Florida PBIS (Positive Behaviors Interventions and Support) Project, and we were awarded the PBIS Resilience Model School Award for the 2020-2021 school year. Way to go team NES!

We take pride in being the home of the Tigers – a team of teachers and staff members committed to achieving excellence. We believe that the best educational outcomes can be achieved through a close collaboration with families as well as through community partnerships. While we are available to discuss the needs of our families at all times, we are an Academic Parent Teacher Teams (APTT) school, and we also utilize structured parent-teacher team meetings to address our students' individual needs throughout the year. This year, we will be introducing a Parent Information Binder in kindergarten and first grade in

order to provide easy access to valuable school resources to families.

North Elementary School is a home for an on-site gifted education program. We have several expert teachers who are gifted endorsed who guide our work in identification of gifted students who could potentially become part of the gifted program; specifically focusing on high risk as well as minority populations. Students in our gifted program have received various awards and have placed in honorable positions in events such as the Florida Elementary Schools Science Olympiad and Treasure Coast Stock Market Game.

Important information about our school can be found on our website at [nes.okee.k12.fl.us](http://nes.okee.k12.fl.us). We would like to ask that families would follow us on our North Elementary Facebook page to stay abreast of school updates (we can be found under NES Tigers). Our teachers will be utilizing electronic communication and messaging tools to stay in contact with families and share our students' successes each day. The primary guardians indicated in Skyward student information system will be also receiving a weekly newsletter from the principal via e-mail. We encourage our families to check the Skyward parent contact information prior to the school start to ensure that

it is correct as many important updates will be shared via all-calls, text messaging, as well as e-mail.

For the best educational outcome, it is important that students arrive at school on time. Staff members as well as student guides are positioned in our hallways in the mornings to help students find their way to their destination on campus. We offer free breakfast and lunch to all students. Our classes begin promptly at 8:10 AM, and we dismiss our students starting 2:50. All families will receive NES Rider Cards to be used at pickup.

For safety, students will not be dismissed without the card or in the absence of the card, a photo ID of the person picking them up. For student safety,

visitors are not allowed on campus outside of scheduled school events, and there are no classroom or lunch room visitations. We would like to invite parents and community members to contact us should they be interested in serving on our Parent Teacher Organization (PTO) or School Advisory Committee (SAC).

Thank you for your continued support!

Sincerely,  
**Dr. Tuuli Robinson**  
Principal  
of North  
Elementary  
School

## Seminole Elementary faculty & staff dedicated to excellence

**G**reetings Seminole Elementary Families & Friends, it is with great excitement that I welcome you back to the 2021-2022 school year as the newly appointed Principal of Seminole Elementary. I come to you with over 20 years of experience in education. I have enjoyed seven of those years in public school leadership as an Assistant Director of Exceptional Student Services, a District Specialist/Consultant, and an Assistant Principal. Most recently, I served two of those years as the Assistant Principal at Seminole Elementary. I am honored to have this opportunity to lead this wonderful school community.

Seminole Elementary faculty and staff are dedicated to excellence in your child's academic, social, physical and emotional development. We recognize that part of children's success at school relies heavily on the support offered both at school and at home. We are happy to work in partnership with you at Seminole Elementary. Important reminders:

Students will return to school on **TUESDAY, August 10, 2021.**

**SCHOOL HOURS:** School hours are **8:00 a.m. – 3:15 p.m.** The faculty, staff, and I are all looking forward to getting to know and working with all of you to ensure

that each student in the school is successful this year academically and socially. To that end, we ask that ***all students come to school on time each day*** with all their required materials prepared to do their best. Success is a team effort, and every player, the students, the teachers, and the parents are integral parts of that team. Frequent late arrivals and/or early dismissals place students at risk for learning deficits and academic failure. **Please be sure to provide your child/children with breakfast if they arrive after 8:30 a.m.**

**ARRIVAL/PARENT DROP-OFF TRAFFIC PATTERN:** Students may be dropped-off at 7:30 a.m. Parents, please use the roundabout towards the back of the school when dropping off or picking up your student. This helps us avoid congestion and issues with traffic back up. Do not use the driveway before the roundabout to turn around. This creates a very dangerous situation for cars that are driving to the roundabout or turning into the school. Pull down to the end of the sidewalk to the sign marked "Drop-off Here."

**ARRIVAL/PARENT DISMISSAL/PARENT PICK-UP:** Students will be dismissed at **3:20 p.m.** Designated areas will be marked for students to form lines in the gated area near

the flagpole. Pull down to the end of the sidewalk to the sign marked "Drop-off Here". The gate will be opened at 3:00 p.m.; however, be advised that a line of cars usually forms prior to this time.

**SCHOOL BREAKFAST & LUNCH:** School breakfast and lunches will be served starting the first day of school. Breakfast and lunch are free of charge to all students regardless of eligibility.

**ATTENDANCE/TARDIES/CHECKOUTS:** To the extent possible, we ask that students arrive on time and attend school everyday, all day. In the event you need to checkout your child prior to the end of the school day, we ask that you do so no later than **2:30 p.m.**

**OPEN HOUSE:** Please join us on Thursday, August 5th from 5:00pm to 7:00pm for Open House. Attending Open House is an important first step in making sure your child/children have a successful school year.

**INSTRUCTIONAL PROGRAMS:** The district and school's priority is to prepare students for college, careers and productive citizenship. All instructional programs are rigorous, well-rounded and aligned to the Florida Standards. Teachers and paraprofessionals are credentialed and participate in ongoing professional

development. Most importantly, high expectations are maintained by ALL staff for ALL students.

**STUDENT AGENDAS & COMMUNICATION FOLDERS:** ALL students will be provided agendas in grades 3 - 5 and communication folders in grades K - 5.

**SCHOOL SUPPLIES:** School supply lists can be on Page 8 of this School information Guide.

**PARENT INVOLVEMENT:** We welcome your participation! During Open House, you will have the opportunity to learn more about AND to join our School Advisory Council (SAC), Parent Teacher Organization (PTO) and Parent University. These organizations are opportunities for stakeholders to give input regarding our school budget, school improvement initiatives,

fundraisers, school activities and student incentives. Parent University will provide workshops to help parents understand their children and to support academics in the home.

**TEACHER/CLASSROOM REQUESTS:** Administration has given great consideration in properly placing students in the most conducive classroom settings. Once a child has been placed, teacher/classroom requests will not be honored unless there are extenuating circumstances.

**TRANSPORTATION/BUSES:** Be sure your child and his/her teacher know whether your child will be parent pick-up or bus rider. On the first day of school, send a note (and later write in the communication folder) parent pick-up OR your child's bus number AND your home address and contact information.

This year is going to be amazing as we continue to provide rigorous and relevant academic experiences for our students and help them make real-world connections. My door is always open, and I welcome your input and feedback. Please feel free to call or email me to discuss any concerns you might have throughout the school year at 863-462-5116. You can also stay up-to-date by visiting our school website at: [seminoleelementaryschool.sites.thedigitalbell.com/](http://seminoleelementaryschool.sites.thedigitalbell.com/) and our Facebook page at: [facebook.com/SeminoleElementaryofOkee](https://www.facebook.com/SeminoleElementaryofOkee) Seminole Elementary is focused on Excellence! Welcome back everyone!!

**Dr. Robyn Ziolkowski**  
Principal, Seminole  
Elementary

## School Lunch Info

The Child Nutrition Department of Okeechobee County Schools is pleased to inform the public that we will be continuing with the USDA federal program for Breakfast and Lunch called Community Eligibility Provision (CEP) for this coming school year 2020-21.

All of our schools will be participating and will provide healthy breakfast and lunch meals each day at no charge to all students.

Current Student debt will not be erased; however, students will not incur future debt for their breakfast and lunch meals.

Students and adults will still be allowed to carry accounts with their cafeteria for a la carte and snack purchases. Adult breakfast price is \$2.50 and adult lunch will be \$4.00.

*If you have any questions, please contact Lisa R. Bell, Food Service Supervisor at 863-462-5148 x 1214*

## Eagles S.O.A.R. at South Elementary School

**W**elcome back to our students and families! We are excited to start another great year together! We are prepared to deliver high quality instruction to our students. Please find us on Facebook and "like us" so you can receive updates regularly. We also will be inviting you to download the Class Dojo app so we can stay in constant communication with you.

School safety for all children and staff is our priority at South Elementary. We adhere to district policies and implement safety protocols to ensure a safe learning environment for all students. Parents are allowed to walk their child(ren) to class the first week of school. All car riders and walkers must be dropped off in the drop off line and will walk to our gate. We will have staff supervision throughout the campus to ensure all children receive breakfast and are taken to their correct classrooms.

Parents can begin dropping off children at 7:45 am. For drop off in the morning, one line is formed. We have staff and student Safety Patrol members lined up on the sidewalk to help open car

doors. Children proceed to our gate and then to get breakfast and go to their classrooms. For parent pick up in the afternoons, two lines are formed. A staff member will call students' names and staff members will help load the children into their vehicles.

We believe that all children can succeed and are dedicated to ensure children learn in a safe, engaging, and nurturing environment. We are promoting literacy school-wide and want our students to love to read! Please help us by reading with your child at home. Did you know you can access thousands of books for free online if you have a library card? We will help you locate this amazing service! We also will regularly educate students regarding health and how we can keep one another safe.

Our school will continue to focus on social-emotional learning this school year. All students will receive daily instruction in different categories of social-emotional learning. It is our responsibility to empower our students to communicate, cooperate, embrace diversity, and resolve conflict. We will be building healthy relationships and

helping develop our children's compassion.

We love family involvement! We will host events throughout the year for our families. We hope you will join us at these! We appreciate your involvement in your child's education! Please ensure your contact information is up to date. I also post a Weekly Memo for families to keep you updated on school happenings. This is available on Facebook and also sent to your email address and phone number listed in Skyward.

We are so thrilled for this upcoming school year and cannot wait to see the successes among our students! We look forward to seeing you at Open House. Please do not hesitate to reach out to me if I can answer any questions you may have! We love your children and cannot wait to watch them SOAR this year!

Warmly,  
**Emily Strelman**  
Principal  
South Elementary School

# Safety Smarts

## on the bus

**Follow these simple tips to get to and from school safely.**

- Board the bus one at a time, and hold the handrail when entering and exiting the bus.
- Go directly to your seat, and remain seated and facing forward the entire bus ride.
- Talk quietly, so as not to distract the bus driver, and always listen to the bus driver's directions.
- Keep the bus aisles clear, and never put your head, arms or hands out of the bus windows.

## Okeechobee High School: Take part in telling the OHS story

**W**elcome back to the 2021-2022 school year! The community, students, staff, and faculty all take part in telling the story of Okeechobee High School.

Follow us on Facebook: @OkeechobeeHS; on Instagram: @ohsbrahmans or follow the hashtags: #GoBrahmans and #TheBrahmanWay

The Brahman Way refers to the tradition of "Excellence through P.R.I.D.E." while also addressing our school's mission to create a community of lifelong learners who care and support one another as individuals. Our traditions are the very foundation upon which we build our school culture.

Perseverance, Respect, Integrity, Determination, and Ethics will ring loud and true as we are able to get back to what makes this school so special.

The Class of 2022 has been passed the torch to carry the responsibility of school leaders and the Brahman Pride that is found throughout this supportive community.

How are we preparing every student to be successful beyond high school? Becoming College and Career Ready gives every graduate the chance to start building a resume' or transcript that communicates their interests and work ethic. Every student has the opportunity to take courses that will lead them toward post-secondary success. Rigorous courses on our campus ensures that students are prepared for the next level, no matter where they begin. Our Advanced Placement

(AP) offerings have continued to grow year after year. We are proud to offer AP Literature, Language, Art, Chemistry, Environmental Science, Human Geography, World History, US History, Macroeconomics, Government and Politics, Psychology, Computer Science Principles, Spanish, and Calculus. We saw our AP exam school pass rate shoot back up to our historical rate, despite numerous quarantines and virtual school settings. This past school year we had our first group of 8 graduates earn an AP Capstone diploma, a national honorary diploma distinction showing the successful completion of 4 or more AP courses and AP exams, and passing the task and AP test of the two Capstone courses, AP Seminar (Junior year) and AP Research (Senior year). Both the AP Seminar and AP Research courses had a 100% pass rate this year! Through our partnership with Indian River State College, students are able to be dual enrolled as a high school and college student.

Last year Okeechobee High School graduated 15 high school seniors who had successfully completed an Associates of Arts degree from IRSC. This year's graduating class has the potential to double that statistic! Students are offered a wide array of courses in multiple disciplines. English, Math, Science, History, Education (teaching), and Student Success courses are offered during the school day on campus. We are also fortunate to provide a shuttle that runs

between the high school and the Dixon Hendry campus for our students to have access to Math courses. Students have the potential to earn both college and high school credit for free if they are able to complete the course with a "C" or better. Our CTE programs continue to impress with the number of industry certificates earned during the school year. With last year's total topping out at 386 industry certifications, even despite a pandemic, our CTE programs are stronger than ever. Notify your guidance counselor if you are interested in Health Science, Building Construction Technologies, Auto Maintenance and Light Repair, Animal Science and Services, Technical Ag Operations, Aquaculture, Digital Design, and Digital Information Technologies. Many of our CTE programs have a professional relationship with community businesses and trade schools. Taking these courses allow students to gather information, earn nationally recognized professional certificates, and expand their career network while still in high school.

We are looking forward to hosting Open House and getting to meet our students face to face for the first time this school year. Our Sophomore Open House is an event that is exclusive to our incoming 10th graders and their parents. The Sophomore Open House will be held on Wednesday, August 4 at OHS main campus from 6:00 PM to 8:00 PM. This event is more structured to allow for

both students and parents to ask questions.

Parents will meet with the principal in the gym while students will gather in the OHS Lecture Hall. After a brief orientation for both groups, they will reunite with their new schedule and map in hand to roam the campus and meet their teachers. The traditional Open House for all other students will be held Thursday, August 5 from 7:00 PM – 9:00 PM.

Parking stickers will be sold for those students who intend to drive to school at the OHS main campus. Parking is not guaranteed and will be issued on a first come, first serve basis. As in previous years, Seniors will be given the opportunity to purchase their parking passes first on Thursday, August 5 from 1:00 PM – 4:00 PM. Juniors will later be able to purchase parking stickers from 2:30 PM – 4:00 PM. Sophomores

may purchase parking passes during the first week of school. No parking will be sold on Friday or Monday, August 6-9. To expedite the process for parking stickers, students must bring their Driver's License, Proof of Insurance, Vehicle Registration, and signed Drug Testing Permission slip. All students purchasing parking stickers on Thursday, August 5 must have a 2.0 GPA, and must pay for any unpaid fines or fees. Juniors and Seniors that have a 3.5 or higher GPA will receive free parking. For all other students who have at least a 2.0 GPA, parking fees are \$40 per year. Students under a 2.0 GPA will be charged \$50 per semester. Students under a 1.5 GPA are not eligible to park on campus.

Communication is vital to your student's success. In order to receive a weekly email containing the highlights and events of the week, please make

sure that you have added your email account to your student's Skyward. We welcome and encourage parent input and involvement. If you would like to be a part of our school advisory committee, please email me for more information. I can be reached at [myersl@okee.k12.fl.us](mailto:myersl@okee.k12.fl.us)

Daily decisions route your path to graduation. Are you choosing to move forward? Class of 2022, this is your year! Every Senior in your seat at Graduation on May 28 at 9:00 AM.

Looking forward to a productive and meaningful 2021-2022 school year!

## OAA encourages and supports students to excel

I would like to welcome back all of our students, parents, teachers, and staff to the 2021-2022 school year. Our new and returning faculty are excited for their students to return. Our teachers will be focused on engaging and motivating students, knowing individual student needs, and fostering academic and social success. OAA has a strong foundation in Positive Behavioral Interventions and Support (PBIS), earning a silver rating last school year. Through PBIS as well as partnerships with community and mental health organizations, we will continue to encourage and support our students to excel in the classroom and to succeed in the community.

We are excited to continue our acceleration programs: REACH, GAP, and Night School. In its first year, our REACH program helped many middle and high school

students avoid retention and catch up with their cohort. The GAP program built on its success from last school year, increasing the number of early graduates from 37 to 64 while also achieving a 96% graduation rate. We expanded our partnership with OHS and opened the Night School in March, and we look forward to inviting more students who need to graduate but have circumstances hindering their attendance during the normal school day.

The faculty and staff at OAA will work diligently to know and grow your students. Your support, parents and guardians, is crucial to the academic process. Please encourage your student to come to school every day ready to be productive and successful. Daily, on-time attendance and open communication between teachers and parents are

essential to building a relationship that results in student achievement. With your cooperation, we will make strides this year.

Please join us for Open House on Thursday, August 5th from 6:00-8:00 PM. Our teachers and staff look forward to meeting you and welcoming you to our school. The first day of school is Tuesday, August 10th. Thank you for giving us the opportunity to work with your students and help them achieve their academic and personal goals.

Sincerely,  
**Bryan Van Camp**, Principal  
Okeechobee  
Achievement Academy

## Okeechobee Freshman Campus welcomes Class of 2025!

**P**arents, Students, and Community Stakeholders, Okeechobee High School Freshman Campus is excited to welcome the Okeechobee High School Class of 2025! The transition from middle school to high school is a pivotal year for students as they adjust to a new school, a new set of peers, and new teachers all at once. Add on the expectations of being a “high school” student and it becomes easy to see how for many students freshman year can be their toughest year of high school. However, be assured the faculty and staff at Okeechobee High School Freshman Campus are working to ensure that our students are successful by setting an academic foundation that is solid and will carry our students on to Okeechobee High School and beyond.

Much has been said and written recently about providing equity and access for all students. At OHS Freshman Campus, all students will take Pre-AP English 1.

The Pre-AP designation for a course signals high standards in courses that help build, strengthen, and reinforce students’ content knowledge

and critical thinking skills. Pre-AP is a program designed to achieve results for all students by providing access and equity to all students. Students will benefit from instruction that focuses on building important foundational skills and confidence. Students will learn to apply evidence and think critically. Within these courses students will learn to observe closely before starting to explain or analyze. Students will be asked to respond to questions that challenge them to think critically.

They will share their learning through discussions with peers and write using evidence from text and other sources. Our English 1 teachers are prepared to deliver lessons based on the principles of close observation and analysis, evidence-based writing, higher-order questioning, and academic conversation.

The focus on these shared principles will allow our students to see connections across the disciplines as they move throughout the day, benefiting students in all classes. These common instructional practices will become the basis of a change in how our students learn, reflect, and share with others. As students

leave Okeechobee High School Freshman Campus, they will be prepared for the full range of academic options, including Honors, Advanced Placement, and Dual Enrollment, available to them at Okeechobee High School.

While we cannot control all elements in a school environment, please know that we will have systems and procedures in place to prioritize the safety of our students and staff. We are excited to return to our new normal and to see students’ smiles on August 10th. It is time to teach our freshman class The Brahman Way. It is time to Move Forward and Be Great!

Sincerely,  
**Vicki Goggans**  
Principal  
OFC

6:21 am	SE 38th Ave & Box 3500

**Parents, review these safety tips with your kids to help prevent the spread of COVID-19 at school:**

- Wear a mask over your mouth and nose.
- Hold off on hugging classmates, getting too close or sharing food.
- Hum or sing the entire “Happy Birthday” song when washing your hands to make sure you’re getting them clean.
- Carry hand sanitizer for when you can’t wash your hands, and use sanitizing wipes on surfaces you touch a lot, like your desk.

**Also, Parents...**

Make sure children are up to date on routine immunizations, and keep kids at home if they are feeling sick, coughing or running a fever.

Check in with children often and encourage them to express their feelings about going back to school and the COVID-19 pandemic. If you have concerns or questions about your child’s mental, behavioral or physical health, don’t hesitate to contact your pediatrician.

## Exceeding Expectations at Osceola Middle School

This is Sean Downing and I am looking forward to the start of my twelfth year here at OMS as your principal. We have had a great summer and our staff has worked extra-hard to make sure that we are ready for students to return. I am proud of how our school responded to the first year back after the pandemic, and I am excited to see how we continue to heal and close learning gaps we found over that time and since. We are more committed than ever to make sure that we are here to listen to your concerns and to provide students with the absolute best education and services to ensure that ALL students can enjoy all of the benefits and realize their maximum potential. At OMS, success is ensuring we help provide a supportive and academically challenging setting that takes students in from the elementary schools and delivers them to Okeechobee Freshman Campus prepared and ready to flourish.

The faculty and staff at Osceola Middle say family a lot when interacting with our students and one another. Our top goal for the upcoming

school year is to create that school family where we all look out for one another. To that end, we want to offer more opportunities to get to know your school family, through online content, our face-to-face open house, sixth grade orientation, the OMS Town Hall School Improvement BBQ, and some of the Frequently Asked Questions for upcoming middle school parents and students, including your dress code questions. If you are interested in additional information, please email me!

I am committed to keeping you informed of what we do on our campus. If you would like to be included in my Warrior Weekly Update email, please update your email in Skyward or personally email me at [downings@okee.k12.fl.us](mailto:downings@okee.k12.fl.us) so I may include you. If you like watching from afar and would enjoy seeing pictures of the students during the multitude of activities on the campus, please "like" us on Facebook (@Osceola.Middle.Okeechobee)! We try to get something new on the Facebook page at least once a week (sometimes more often than that). Additionally, we have school information on our

website so check us out online at <http://osceolamiddleschool.sites.thedigitalbell.com/>.

As the summer winds down, let me remind you that students entering seventh grade are required to show proof of vaccinations prior to issuing a schedule/admitting a student to class. If you have a question, please call the main office at (863) 462-5070.

Additionally, fall sports tryouts happen right away when we return. Student athletes are not permitted to try out for a middle school sport until we have a completed physical form/athletic packet on file with Mr. Perman, Athletic Director.

Finally, here are some dates for you to put on your calendar:

**Thursday, August 5:** Open House (from 6:00 to 8:00 PM).

**Monday, August 10:** The first day of school for students.

**Wednesday, September 9:** Quarter 1 Progress Report Day.

**Friday, September 11:** Early Release Day.

Thank you for your continued support and trust in Osceola Middle School.

# Okeechobee Virtual School eager to build on last year's success

**W**elcome back, parents and students, to the 2021-2022 school year. I would like to thank you for your patience and understanding as we built and grew our virtual program in its inaugural year. Our faculty and staff are eager to build on our successes from last year and continue to refine our methods this school year. I am extremely proud of our 64 graduates who were able to navigate the challenges of the virtual setting and achieve their goals. Okeechobee Virtual School had a 96% graduation rate in its first year, and we plan to build on that success.

I am excited to announce that Okeechobee Virtual School is now operating as a Florida Virtual School

franchise. Through our partnership, we offer the rigorous and established K-12 FLVS curriculum with the personal touch of our highly qualified local instructors. Students may work from home while also enjoying aspects of the Okeechobee County school system such as sports, tutorial offerings, field trips, extracurricular activities, social gatherings, and the graduation ceremony.

As an FLVS franchise, Okeechobee Virtual School will be operating under new guidelines this school year and beyond. I strongly encourage you to attend our Open House on Wednesday, August 4th from 6:00-8:00 PM so we can share all of the requirements and benefits of being an OVS

student. Students will receive their devices and choose their elective courses, and our outstanding teachers will also enjoy the opportunity to meet their students face-to-face.

Thank you for being part of our Okeechobee Virtual School family, and I look forward to an amazing school year. Go Razorbacks!

Sincerely,  
**Bryan Van Camp**, Principal  
Okeechobee  
Virtual School

## Yearling Middle School excited for new, engaging activities

**A**s principal of Yearling Middle School, it is my pleasure to welcome you back for an exciting new school year. After the challenges of the past two years, the staff of YMS is excited to plan new engaging activities which will cause our students to think with their heads, feel with their hearts, and work with their hands. Our students' schedules will include Encore which will be a 45 minute period each day where students can practice their talents, explore new interests, and have more time to build academic skills. Encore as defined by Webster's Dictionary is a demand for repetition or reappearance made by an audience; a reappearance or additional performance demanded by an audience; a second achievement especially one that surpasses the first. It is time for our students to feel the pride, excitement and sense of accomplishment through Encore.

I hope you find our school website helpful and informative. Here you will find a calendar of events which is updated weekly, a list of our faculty and staff with their email address for

easy communication, and information on athletics, the student handbook and more. A weekly newsletter will be emailed to parents and a copy will be uploaded to the school website under the "News" tab. Additionally, you can find updates and quick announcements on our Facebook page @ YearlingMiddle.

We cannot do what we do without you. Each year we strive to strengthen our home/school partnership and I encourage you to set a goal to become more engaged in our Yearling Middle School community. You can join our school advisory council, volunteer to help with a school event, club, athletic team, band, or join a virtual Chat with Dr. Pat each month. We are so fortunate to have a wonderful parent community and your support makes all the difference. Thank you for your commitment to making Yearling Middle an amazing place for students to grow and learn.

The YMS office staff is back to work and ready to answer any questions you may have, and help with registration for new students. Please call our office at (863) 462 5056.

Open house is Thursday, August 5 from 6-8pm. Sixth grade orientation will be held in the gym. Families can choose to attend the 6:15pm or 7:15pm session. Students and parents will be able to access class schedules Thursday morning using your Skyward Student or Skyward Family Access accounts. If you don't have a Family Access account, please give our office a call for assistance.

If you do not have an email address in Skyward Family Access, there are two ways to add one. You can call our office and we will add your email to your students registration information or you can login to your Skyward Family Access Account and make this change after August 5.

Please let me know any way I can serve your families' educational needs in the coming school year, and welcome back!

With great anticipation,

**Dr. Pat  
McCoy,**  
Principal
