Clewiston Christian School celebrates graduates

SPECIAL TO LAKE OKEECHOBEE NEWS

Clewiston Christian School has 19 graduates for 2022, with eight of them being scholarship recipients.

Maria Claudia Sanchez Herrera will be attending Florida Atlantic University and is the recipient of a Bright Futures scholarship which will pay 75% or \$3,659.25 per year for her education.

Valedictorian Dustin Nguyen is a pre-med student majoring in health sciences at University of Florida and is the recipient of a 100% Bright Futures (\$6,381 per year) and UF Presidential Gold Scholarship (\$8,000 per year) and ASSCT scholarship.

Brianna Messer will use her 75% Bright Futures scholarship (\$4,465.50 per year) to attend University of Central Florida.

Samuel McDuffie received a 75% Bright Futures scholarship (\$4,588.50 per year) to attend Florida Gulf Coast University to earn a doctorate degree in biology.

Micha Grooms received a track scholarship for \$12,000. Micha will be on the track team at Webber International

University where he plans to earn an associate in arts degree there and then transfer to another university to pursue a degree in history with a minor in music.

Stormie Green will attend Rasmussen University on a \$1,000 Glades Electric scholarship. After obtaining her associates degree in nursing, she plans to work as an RN in a hospital, eventually becoming a travel nurse for one to two years. She wants to specialize in labor and delivery for her permanent career.

Easton Bellew received a \$2,000 Hendry Regional Medical Center scholarship. He is exploring options for colleges both in and out of state. He plans to become a traveling nurse.

Christopher Alston, Salutatorian, will be attending Florida State University on a 75% Bright Futures scholarship (\$4,242 per year) and a \$2,000 ASSCT scholarship. He will complete his Master of Science degree in computer science and engineering with a minor in business.

Liam Davis will continue his basketball career in college where he holds several

offers. He plans to attend pharmacy school to become a pharmacist and is looking forward to his future and is thankful for the many doors that have opened for him.

Luke Lawson will attend Florida Southwestern State College and then transfer to University of Florida for a bachelor's degree in business management. He plans to attend flight school to work in the airline industry in agricultural, commercial or private areas.

Calvert Lee plans on a career in agriculture, specifically in the area of beef cattle production. In this field, he will make a direct impact on producing high-quality, nutrient-dense food for dinner tables all over America. Calvert has been a Clewiston Christian School student since he was in preschool. He is grateful for the positive influence this has had on his life.

Gloria Andrea Marrero will be attending Florida State University.

Andre Guajardo will be serving the country as a Load Master in the U.S. Air Force, leaving for boot camp July 12. He was the number one recruit with the

highest ASVAB score in his recruiting class.

J. Wyatt Hughes will join the work force after graduation until next Fall, where he will attend Florida State University majoring in criminal justice/law enforcement administration with a minor in graphic design.

Joseph Rourks is enrolled at Florida State University starting in the Fall. He plans to start with an associates of science degree in computer programming and analysis, with a goal of earning a bachelor's degree in computer science. His scholarship applications are currently being reviewed.

Victoria Roberts will pursue a degree in educational planning to become an elementary educator at Florida Atlantic University.

Issai Vilela is exploring college options for the Fall.

Paige Roth will be attending Florida Gulf Coast University in the fall.

Jacob Jackson is also a 2022 Clewiston Christian School graduate.

Pahokee Middle-Senior High School

Pahokee Middle Senior High School – Class of 2022

SPECIAL TO LAKE OKEECHOBEE NEWS

Pahokee Middle Senior High School was excited to begin another successful school year. With the support of the community, the students in the graduating Class of 2022 strived to become the first graduating class in Pahokee history to reach the distinction of being the class to reach a 100% graduation rate. A great majority of the students have been together since middle school and have forged a bond that is unbreakable. One member of this class, Sylvanus Wiley, lost his life during a tragic event that occurred during the middle school years. The classmates united to honor Wiley's memory and vowed to display their commitment to education. These same stu-

dents also are integral to helping the school become one of the few elite scholar athletic programs within the state. Although our school is located in an economically disadvantaged area, the members of the Class of 2022 are defying the odds and exceeding beyond expectations during the COVID-19 pandemic.

Members of the Class of 2022 are committed to performing at high academic levels that will ensure that our school continues to hold a top spot in the rankings by excelling and performing beyond expectations on state assessments; participating in and receiving qualifying scores on college-level assessments; and graduating at a high proportion. This class contributed to Pahokee receiving the distinc-

tion of being the 2021 PBI Institution of Excellence, 2021 Great Schools Gold Award Finalist, recipient of the 2021 College Board Female Diversity Award, and an Amazon Future Engineering School. All of the honors and awards are collective efforts of stakeholders and supporters. With continued support, Pahokee Middle High School will continue to develop the future of global leadership and innovation.

Pahokee Middle High School is a rural Title I school in an economically disadvantaged area. The school community has produced scholars who graduate with Honor Point Averages of 4.97, earn membership in the National Honor Society, earn IB Diplomas, and complete over 400 hours of community service.

Recent successes include increasing our graduation rate from 91% in 2018 to 95.5% in 2019 to 97.5% currently, increasing our number of students receiving their IB diploma from 0 to 15 over the past 2 years, and educating a Class of 2020 graduate who scored a perfect score on the ACT. Our academic and Choice Programs support our students with being prepared to successfully think, perform, and communicate in college, career, and life. While we are a small, diverse group of learners, it is our vision to be an incomparable school that is dedicated to preparing all students to be socially accountable lifelong learners who are primed for college and a career in a globally competitive world.

Glades Day School

On Friday, May 20th, at 7:00 pm, 26 Glades Day School students will shine in their caps and gowns to proudly walk across the stage and receive their high school diplomas. Seven of these seniors are Lifetime GDS Gators, and many have attended GDS for longer than just their high school years! Our faculty has watched these students grow up and develop into the bright young men and women that they are today. As they embark on the next chapter in their lives, we stand confident that the Class of 2022 is ready for this moment!

Like the Class of 2020 and 2021, the Class of 2022 has persevered through the many challenges and uncertainties we have faced in the last several years. While their high school years were much different than pre-pandemic high school years, these students are resilient and determined to flourish. They have remained engaged, involved, and committed to achieving their goals; not just in the classroom but in athletics, community service, leadership opportunities, and more!

To the Class of 2022, it has been an honor and a privilege to share in the memories that you have created in your years as a student at Glades Day School. You have reached this moment through your dedication to succeed and by utilizing your own unique gifts to accomplish your goals. While you may be embarking on your next adventure near or far, we want you to always remember - you will forever be a part of the Gator Family!
