School Family,

The new school year is about to begin. It brings with it a host of new ideas and excitement as we welcome back our 6,450 students. In preparation for the county's largest event, open house, we are onboarding new teachers, schools are being manicured, instructional materials are arriving, student schedules are being printed, bus routing is underway and back to school professional development is in progress. The summer workload sometimes seems daunting but when you see the students return with smiling faces it makes it all worth it.

This past year, we saw the implementation of a new progress monitoring system, new math and reading curriculum, we broke ground on the new high school and celebrated the rebound of academic performance. This year promises to be no different in our quest to achieve excellence. The School Board's revised strategic plan focuses on our vision for effective instruction, increasing our talent pool and creating a positive learning environment. We look forward to its implementation and by accomplishing the strategies contained therein, we will reach our goal of becoming an "A" district.

Our maintenance, food services, operations and transportation departments have been hard at work building, repairing, feeding and prepping our facilities for a safe return. We are fortunate Mr. Brent Stuart has stepped up to lead our transportation department. We welcome his experience, ideas and drive to transport students safely to and from school. Thank you Mr. Stuart for accepting this vital role in our district.

To all of our stakeholders, we are counting on you to become involved, hold us accountable and join us in making this school year the best ever. Working together, our measurable outcomes can be accomplished so that each and every student, family, staff member and business partner can see positive growth for our community. We look forward to being of service to you and welcome your input along the way.

Sincerely,
Ken Kenworthy,
Superintendent of Schools

Central Elementary Principal letter

Cynthia K. Kubit

Dear Central Elementary Parents and Families,

Welcome to the 2023-2024 school year! We hope you had a safe and prosperous summer. Our faculty and staff are excited to welcome you and your students back and to provide meaningful learning experiences where students can excel.

Our theme this year is “*Wild about Learning!*” and our teachers have been working throughout the summer in professional development and planning sessions in order to kick off a new year! We hope you will join us for *Open House* on Tuesday, August 8, 2023 from 5:00-7:00 p.m. as we welcome you back to school. We value you and know we are stronger as a school with the commitment of our parents, families, and community.

Our work this year will continue to focus on developing our Professional Learning Communities (PLCs) for teachers to improve instruction, Academic Parent Teacher Teams (APTT) for parents, Data/Exemplar binders for students, and providing a safe environment where students can learn through rigorous and engaging instruction. This will enable students to excel academically, socially, and emotionally. We look forward to a great school year where Central Elementary Students are *Wild about Learning!*

Thank you for your hard work and dedication during this past school year! This new school year is an opportunity to continue our work to increase student achievement and recognition for all of our Panthers! We invite you to take advantage of the many opportunities and events this year to support student learning and student health and well-being. Let’s make this a great year!

Here are a few helpful reminders for this year’s kick-off!

FIRST DAY OF SCHOOL: Thursday, August 10, 2023

SCHOOL HOURS: Aim to be here by 8:00 a.m. Classes officially begin at 8:10 a.m. with adult supervision and drop off beginning at 7:40 a.m. Any student dropped off after 8:10 a.m. must be accompanied into the office and be signed in by an adult. Students will be dismissed at 2:50 p.m. and adult supervision ends at 3:15 p.m. We will offer After-Care at Central again this year. After-Care registration is open and the link is available on the Okeechobee School District website under the *Quick Links* tab or by visiting our Facebook Page.

ATTENDANCE/TARDIES/CHECK-OUTS: Did you know that research shows that students with great attendance have higher achievement scores. To the extent possible, we ask that students arrive on time and attend school everyday, ALL day. Not only do we not want students to miss valuable instructional time, but it can also interrupt the instructional time of others. We ask that you try to schedule appointments for your child after school. In the event that you need to checkout your child prior to the end of the day, please do so no later than 2:30 p.m. Changes in transportation must be received before 1:30 p.m. Students will only be released to parents in the pick-up line. After 3:15 p.m.

students may be picked up from the office.

MEALS: Breakfast and lunch will be provided at no cost to all students.

OPEN HOUSE: Our first family event will be Open House on Tuesday, August 8, 2023. Watch our Facebook account for more details at: www.facebook.com/CentralElementaryOkee This will be a wonderful opportunity to meet your child’s teacher(s), complete forms, purchase school t-shirts and yearbooks, as well as sign up for parent committees.

AGENDAS: All students will be provided with a school agenda which contains our Student Handbook in the front. It’s important to read the Student Handbook which contains our school’s policies and procedures. We ask that you and your child review and sign the Student Contract (Compact) located at the beginning of your child’s agenda.

PARENT & FAMILY ENGAGEMENT: During Open House, you will have the opportunity to learn more about and join our School Advisory Council (SAC), Parent Teacher Organization (PTO), and Panther Community Partners. These organizations are opportunities for you to give input regarding our school budget, school improvement initiatives, fundraisers, school activities and student incentives. Throughout the year, workshops will be provided to help families support academics both at school and at home.

Let’s get WILD about LEARNING! GO PANTHERS!

Cynthia Kubit

Everglades Elementary Principal letter

Christina Norman

Welcome to Everglades Elementary, home of the Gators! We are excited for the start of the 2023-2024 school year. Our faculty and staff have worked tirelessly to prepare for the return of our students. The 2022-2023 school year brought many new challenges, but through the dedication of our staff and stake holders, our Gators persevered and grew.

Last year our students participated in the inaugural F.A.S.T progress monitoring assessments and we are thrilled with the growth they made. These assessments will continue for the 2023-2024 school year and I know our Gators will continue to excel. Parents, I encourage you to make sure you have access to Skyward. This allows you to regularly check grades and access all F.A.S.T scores. Please call or visit the office to obtain your login information.

We look forward to welcoming you all back on campus for Open House, Tuesday, August 8 from 5 p.m. – 7 p.m. Kidz First, Inc is again partnering with us to provide each student with a backpack full of supplies. We cannot thank this wonderful organization enough for their continued support of our school and families. The backpacks will be distributed at Open House. At Open House you will also be able to gain busing information, as well student class placement. You can visit with our many returning staff members, and meet a few new additions to our ever-growing Gator family.

I want to encourage each of you to become involved in your child’s education and our school. Everglades has many opportunities available to parents and we will showcase these at Open House and provide you with the opportunity to join a school committee. These opportunities include PTO, SAC, and Parent and Family Engagement. We welcome our parents’ input and ideas.

2023 - 2024 is going to be another year of excellence at Everglades Elementary. We will

▪ See **Norman** on page 16

North Elementary Principal letter

Tuuli Robinson

Dear NES Families,

And just like that – it is time for new beginnings! Our summer was busy with lots of professional learning and planning for the new school year, and we are ready for students' return. Our goal at NES is to be the best we can be so that our students can have a memorable experience throughout their elementary school years.

We value home-school partnerships and we believe that students have the best educational opportunity and outcome when the school and families work together. We invite all families as well as our community members to take an active part in our school so that we can succeed together! To be active at NES, you can choose to volunteer, be part of our Parent Teacher Organization, School Advisory Committee, or attend our monthly school information sessions that are advertised on social media. For families, attending the Academic Parent Teacher Team (APTT) meetings is the best way to stay informed about the instructional requirements for each grade level. But the biggest help comes in the form of simply encouraging your child every step of the way and positively impacting their learning by sending them to school, ready to learn. A ready to learn student comes to school on time with a positive attitude, and dressed comfortably and appropriately for the day. It is best to pack the backpack the night before to avoid the morning rush and possibly start the day without the things we need for learning. NES will provide the starter supply of classroom materials for each child, but it is important that families replenish those often as outlined on the 2023-2024 Supply List.

We are active on Facebook as NESTigers, and we regularly share school information on Class DOJO. Our way of work is outlined in our Student Handbook that will be sent home with each student at the beginning of the school year. General information about our school can be found on our website at www.okee.k12.fl.us/nas. We encourage our families to check their Skyward parent contact information prior to the school start to ensure that it is correct as many important updates will be shared via all-calls and text messaging. It is also important that families have a working e-mail address listed so that they can be included as recipients of our weekly parent newsletters.

Breakfast and lunch are free for all students! Classes start promptly at 8:10 AM, and student dismissal starts at 2:50 PM. Early checkouts through our office stop at 2:30 AM. Families must always bring an ID to check out students. Car riders must have a Rider Card displayed on the windshield to pick up a student through the pickup circle (Rider Cards are provided at Open House).

Thank you for allowing us to be part of your child's education. We cannot wait to see everyone soon!

Sincerely,
Dr. Tuuli Robinson
Principal of North Elementary School

Seminole Elementary

Principal letter Dr. Robyn Ziolkowski

Greetings, Seminole Elementary Family! I am pleased to extend a warm welcome to returning and new students and families to the 2023-2024 school year! Seminole Elementary faculty and staff are committed to ensuring high levels of learning in a safe, respectful environment where all achieve personal and academic success. We strive to provide your students with an atmosphere where instilling a genuine love of learning in each child is the focus of our work, curiosity is fostered, and successes are noticed and celebrated. Additionally, we look forward to working with our outstanding community of parents to ensure that ALL students at Seminole Elementary are successful and thriving. ALL MEANS ALL! To start the school year off positively, please note the following important reminders:

School Hours: Attendance is a priority at Seminole Elementary! Our school hours are 8:10 am to 2:50 pm. Research shows that students who miss less school have a higher potential for success than students who are absent or miss part of the day. Students can be dropped off as early as 7:40 am and will be dismissed promptly at 2:50 pm. Please have your student here on time, with no tardies or early checkouts. Help your child strive for success!

Parent Drop Off/Pick Up and Traffic Pattern: Parents, safety is our number one priority during pick up and drop off. To ensure safety and avoid congestion, everyone must use **the roundabout** towards the back of the school when dropping off or picking up. We have safety cones in front of the school blocking direct entry, and staff will remind you to drive to the roundabout. **Please do not use the driveway after the roundabout to turn around.** This creates a hazardous situation for cars that are moving to the roundabout. While in the drop-off or pick-up line, please remain in your vehicle and refrain from parking and walking to the building to drop off/pick up your child(ren). Students should only exit and enter their car on the passenger side.

Transportation/Buses: Please send a note on the first day of school to confirm if your child will be parent pick-up OR a bus rider. If your child rides the bus, please communicate your child's bus number AND your current home address and contact information.

School Breakfast and Lunch: School breakfast and lunches will be served starting the first day of school. Breakfast and lunch are free of charge to all students, regardless of eligibility.

Academic Agenda/Folder: All students in 3rd to 5th grade will be provided with an academic agenda. Students in K - 2nd grade will be given a communication folder. Parents are expected to check these agendas/folders, sign them, and assist with homework daily.

READ ALOUD A LOT!! Research clearly shows the connection between daily reading practice, reading growth, and the increase in reading test scores. **Read Aloud A Lot** is a school-wide initiative to encourage students to practice reading daily at every possible opportunity. Parents, you can help your students' reading achievement by joining us in this initiative! Set aside a time for your student to read aloud to you for at least 15 -30 minutes daily.

Parent Communication: All parents are encouraged to create a parent Skyward account to receive grade updates and assignment information. Please update your cell phone and email address with our office staff (if there have been any changes), to ensure that you will receive notification via our school messaging system. Connect to our Facebook page and get on Classroom DoJo (request access from your child's teacher) to view snapshots of our students engaged in learning and to be informed of current activities and events happening on campus.

Parent/Guardian Involvement: I encourage you to join our Student Advisory Council (SAC) and Parent Teacher Organization (PTO). During Open House and other meetings during the year, you can learn more about and join these organizations. Volunteering and participating in these organizations allow you to provide input regarding the school budget, school improvement initiatives, fundraisers, school activities, and school incentives. I am excited to partner with stakeholders and look forward to building strong working relationships with parents and community members. Our work together strengthens our school!

Please join us for our Open House on Tuesday, August 8th, from 5:00 pm to 7:00 pm. You will meet your child's teacher and learn how to support your child this year. The students' first day back is Thursday, August 10th. Welcome back, Seminole family. Let's make the 2023-2024 school year one of the best yet!

Dr. Robyn Ziolkowski

South Elementary Principal letter

Lonnie Steiert

Welcome back to all of our students and families! I hope that everyone had a safe and happy summer break. Over the last two months, we have been preparing for your return and are looking forward to another fantastic year! Along with those programs that have a proven record of success, we have some new initiatives that we will be implementing this year.

While we have been busy working, we hope you have been busy reading! This year, we will focus on encouraging a love of literature. You will see evidence of this all around our campus. We will be holding reading-centered activities throughout the year and will be continually recognizing (and rewarding) those students who demonstrate their love of reading. It is so important that students love this activity, so be sure to use the rest of your summer break to do just that! Enjoy a good book and get ready to share when you come back to school! In fact, you may be able to write about the things that you've learned and display these during our quarterly Writing Gallery Walks this school year.

We are also excited about continuing our work with the Academic Parent Teacher Teams (APTT) program at South this year, as well. We know that both parents and teachers value the opportunity to meet and discuss children's progress during the school year. It is wonderful to have the chance to hold these meaningful conversations, and we are grateful that we will have the opportunity to do so again this school year. Parents will receive more information about this program, such as meeting dates, at open house this year.

Other programs that South Elementary will offer this year include Freckle Reading and Math, Reflex Math, and Accelerated Reader. We will also continue with our 4-H, Debate, Science Olympiad teams and a host of other endeavors that will widen the experiences of our Eagles. Each of these programs is designed to improve students' abilities across academic areas. Another characteristic these programs have in common is that they encourage learning by making it fun. This is important because that is also what South's approach will be this year. We will be working hard to learn a lot, but will be having a great time while doing so!

Regardless of the program or activity, South Elementary School is committed to ensuring that all students grow both as learners and as people, and we will be offering programs and events to support that mission. At South, we are Putting Students First, each and every day!

We cannot wait to see everyone at Open House, which will be held from 5:00 PM until 7:00 PM on Tuesday, August 8th! Until then, please enjoy a safe and happy rest of your summer – and keep reading!

Sincerely,
Lonnie Steiert, Principal
South Elementary School

What parents can do to be more involved at school

Attend school board meetings

Many community school boards are comprised entirely of volunteers who work with superintendents and other personnel to advocate for policies and procedures for students. Decisions typically are up for vote, and parents can run for school board positions or simply attend meetings each month and let their voices be heard about various issues.

Attend open houses and conferences

Parents can make every effort to get to know teachers and other staff. Putting faces to names can help parents develop a connection to

teachers and vice versa. Most schools have back to school nights, meet the coaches opportunities, open houses, and parent-teacher conferences. Parents can take part in these events.

Open lines of communication

Parents can ask teachers and other staff how they prefer to communicate. Some teachers want students to take the lead and reach out first, with parents providing support if need be. Adults can be responsive when teachers reach out.

Attend school events

Families can make it a point to support students in all endeavors.

Whenever the opportunity to visit the school comes up – a concert, sports game, trivia night, or fundraiser – parents can make an effort to attend.

Volunteer

When parents want to be involved even further, they can head committees at school or volunteer with the PTA or PTO. They also can help out in the cafeteria, library or in the main office. Parents who have particular skills may volunteer to provide tutoring or mentoring as needed. Parents can volunteer in school-sanctioned extracurriculars.

School Meals Info

On June 1, 2023, Okeechobee County School Board announced the continuation of the Community Eligibility Provision for the 2023-24 school year for its National School Lunch and School Breakfast Programs. All students will be served all meals at no charge at all schools.

For more info, please contact Lisa R. Bell, Food Service Supervisor, at 863-462-5148.

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity.

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotape, American Sign Language), should contact the responsible state or local agency that administers the program or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.

To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form which can be obtained online, at <https://www.ascr.usda.gov/sites/default/files/USDA-OASCR%20P-Complaint-Form-0508-0002-508-11-28-17Fax2Mail.pdf>, from any USDA office, by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by:

Mail:
 US Department of Agriculture Office
 of the Assistant Secretary for Civil
 Rights
 1400 Independence Avenue, SW
 Washington, D.C. 20250-9410

Fax:
 (833) 256-1665 or (202) 690-7442; or
Email:
 Program.Intake@usda.gov

 provider.

Osceola Middle School Principal letter

Alyson Shirley

Dear Parents/Guardians and Students,

Welcome back to Osceola Middle School! It is with great pleasure that Assistant Principal Krista Stanley and I extend this warm welcome to all of you as we embark on the 2023-2024 school year together! Coming back to Osceola has been a dream for me, and I could not be more thrilled to serve as your new Principal!

Middle school is a crucial phase in a student's educational journey. At Osceola Middle School, we are dedicated to providing a nurturing and engaging learning environment that supports students' intellectual, social, and emotional growth. We understand the unique needs and challenges faced by students during this transitional period, and our dedicated faculty and staff are here to guide and inspire students every step of the way. OMS teachers have attended many trainings and conferences this summer and are excited to bring back new strategies and material to engage our students!

At Osceola Middle School, we value the partnership between home and school, recognizing that open communication and collaboration are essential for student success. We encourage parents and guardians to actively participate in their child's education by taking part in our School Advisory Council and/or our Parent and Family Engagement Team. We invite students and families to attend our annual 6th Grade Orientation and Goal Setting BBQ to be held on August 3rd, 2023 at 6:00 PM in the OMS Gym. More information about this event will be shared in the coming weeks. Otherwise, please join us at Open House on August 8th from 6:00-8:00 PM.

Osceola is excited to have many new staff members on board. Joining us from NES will be Janette Pritchard and Christan Varnadore; from EES, Mrs. Walsh (a former Warrior teacher); from Port Saint Lucie, Mr. Gary Schreck and Ms. Marijane Bolling; from SES, Mrs. Caitlyn Strickland and Mrs. Chasity Marsh; from OHS, Ms. Kathryn Wright; and from Georgia, Mr. Daniel Turner-Figueroa. We also expect to have two new teachers joining us from the Teacher Exchange Program – Ms. Keisha Campbell and Ms. Shanell Douglas. In the role of ESE Paraprofessional will be Mr. Jason Mosley, who already served in a long-term sub role this past year, as well as Ms. Tonya Jewell will join us in the OMS cafeteria!

We are thrilled to have each and every one of you as a part of the Osceola Middle School family. Please do not hesitate to reach out to us if you have any questions, concerns, or suggestions throughout the school year. Our door is always open, and we value your input and support. Together, we can create an environment where every student thrives and reaches their fullest potential.

Once again, welcome back to Osceola Middle School!

Krista Stanley
Assistant Principal

Warm regards,

Alyson Shirley

Safety Smarts

on the bus

Follow these simple tips to get to and from school safely.

- Board the bus one at a time, and hold the handrail when entering and exiting the bus.
- Go directly to your seat, and remain seated and facing forward the entire bus ride.
- Talk quietly, so as not to distract the bus driver, and always listen to the bus driver's directions.
- Keep the bus aisles clear, and never put your head, arms or hands out of the bus windows.

Yearling Middle School Principal letter

Dr. Pat McCoy

Dear Yearling Students and Parents,

I hope this letter finds you refreshed, rejuvenated and ready for a new school year! I am excited to have students back at school filling our classrooms and hallways with energy and enthusiasm. We have a few changes in facilities and procedures this year at YMS.

First, our building is looking better than ever with new flooring in our cafeteria, guidance office and main office. We have a new roof, and the parking lot and bus circle have been refinished and painted. Many classrooms have new Promethean ActivPanels and white boards, and just about every space has had its paint refreshed.

Next, our dress code has been updated. Students may wear shorts that are fingertip length. No spandex shorts should be worn. Shirts should come below the waist band. All shirts must have straps of some kind (no tube tops). Tank tops must be three finger width across and cover all undergarments. Pajamas are for sleeping and should not be worn to school where we are learning- wide awake!

Finally, students will not be given a printed school agenda this year. Teachers will post all assignments and information in Google Classroom and students will be taught to use Google Calendar to keep track of important dates. Parents will be able to access a student's calendar and Google Classroom. Teachers will communicate with parents through Talking Points. Talking Points is a program which allows two-way communication with families through texting in the student's home language. If students receive a step- warning, lunch detention or after school detention, the classroom teacher will send a text to you through Talking Points. If a teacher feels it necessary to write a disciplinary referral, the teacher will call the parent or guardian. When a disciplinary referral is received in the office, the dean, assistant principal, or principal will call a parent or guardian to discuss the situation.

Reminder: Students may not have food delivered to them at school. Ex. Door Dash, Pizza Delivery Services, Etc. Parents are welcome to bring lunch to your child, but no delivery services, please.

If you need information, you will find our school website helpful and informative. Here you will find a calendar of events which is updated weekly, a list of our faculty and staff with their email address for easy communication, information on athletics, the student handbook and more. A weekly newsletter will be emailed to parents and a copy will be uploaded to the school website under the "News" tab. Additionally, you can find updates and quick announcements on our Facebook page @YearlingMiddle.

Parents, we cannot do what we do without you. Each year we strive to strengthen our home/school partnership and I encourage you to set a goal to become more engaged in our Yearling Middle School community. You can join our school advisory council which meets the third Thursday of each month, volunteer to help with a school event, club, athletic team, or band. We are so fortunate to have a wonderful parent community and your support makes all the difference. Thank you for your commitment to making Yearling Middle an amazing place for students to grow and learn.

The YMS office staff is back to work and ready to answer any questions you may have, and help with registration for new students. Please call our office at (863) 462 5056.

Open house is Tuesday, August 8 from 6-8 pm. Students and parents will be able to access class schedules Tuesday morning using your Skyward Student or Skyward Family Access accounts. If you don't have a Family Access account, please give our office a call for assistance.

If you do not have an email address in Skyward Family Access, there are two ways to add one. You can call our office and we will add your email to your students registration information or you can login to your Skyward Family Access Account and make this change after August 8. Having your email in Skyward ensures you will receive the weekly school newsletter.

Please let me know any way I can serve your families' educational needs in the coming school year, and welcome back!

With great anticipation,
Dr. Pat McCoy, Principal

Okeechobee High School

Principal letter

Lauren Myers

Welcome back to the 2023-2024 School Year.

The community, students, staff, and faculty all take part in telling the story of Okeechobee High School. Follow us on Facebook: @OkeechobeeHS or follow the hashtags: #GoBrahmans and #TheBrahmanWay

Okeechobee High School is embarking upon a new era of our school's history. Work has already begun on the first phase of the new school building. We have several new fences and have been working with multiple agencies to ensure that safety will remain the first priority.

We are excited to see the Okeechobee High School Class of 2024 take their place as school leaders and to be living examples of The Brahman Way. This phrase refers to the tradition of "Excellence through P.R.I.D.E." while also addressing our school's mission to create a community of life-long learners who care and support one another as individuals. Our traditions are the very foundation upon which we build our school culture. Perseverance, Respect, Integrity, Determination, and Ethics permeate all that we do, from pep rallies and caring on the Homecoming traditions to our academics and how we treat others. Our Okeechobee graduates will walk away with more than a high school diploma; they will carry with them the same Brahman Pride that is found throughout this supportive community.

Parents and loved ones often ask, "What can I do to help my OHS Brahman be successful in high school?" The simple answer is to stay connected. Communication is vital to your student's success. In order to receive a weekly email containing the highlights and events of the week, please make sure that you have added your email account to your student's Skyward. We welcome and encourage parent input and involvement. If you would like to be a part of our school advisory committee, please email me at myersl@okee.k12.fl.us for more information.

Our goal is to ensure every student has options after high school. That means that we are aiming to create experiences and opportunities to prepare for the "3 Es": employment, enrollment, and enlistment. Becoming College and Career Ready gives every graduate the chance to start building a resume' or transcript that communicates their interests and work ethic. Every student has the opportunity to take courses that will lead them toward post-secondary success.

Taking rigorous courses ensures that students are prepared for the next level, no matter where they begin. Our Advanced Placement (AP) offerings have continued to grow year after year. We are proud to offer AP Literature, Language, Art, Chemistry, Environmental Science, Human Geography, World History, US History, Macroeconomics, Government and Politics, Psychology, Computer Science Principles, Spanish, Pre-Calculus, and Calculus. Our AP exam pass rate meets or exceeds the state average in several of our course offerings. This past school year we had 13 graduates earn an AP Capstone diploma or certificate, a national honorary diploma distinction showing the successful completion of 4 or more AP courses and AP exams, and passing the task and AP test of the two Capstone courses, AP Seminar (Junior year) and AP Research (Senior year). The OHS Capstone program had an averaged an 77% pass rate this past school year. Through our partnership with Indian River State College, students are able to be dual enrolled as a high school and college student. Students are offered a wide array of courses in multiple disciplines. English, Math, Science, History, Education (teaching), and Student Success courses are offered during the school day. This year we are continuing to offer vocational career programs through IRSC. Students may now take classes toward certifications in Welding and the Medical Assistant professions. Please have your student reach out to his/her guidance counselor if he/she is interested in taking any of these dual enrollment classes. We are also fortunate to provide a shuttle that runs between the high school and the Dixon Hendry campus for our students to have access to these courses during the school day. Students have the potential to earn both college and high school credit for free if they are able to complete the

OKEECHOBEE HIGH SCHOOL PRINCIPAL LETTER, CONT'D

course with a “C” or better. Our OHS CTE programs continue to impress with the number of industry certificates earned during the school year. With last year’s total topping out at 469 industry certifications, our CTE programs are stronger than ever. Their successes are mirrored in their popularity, as many of our CTE programs now have wait lists. We are proud to offer programs in Health Science, Building Construction Technologies, Auto Maintenance and Light Repair, Animal Science, Technical Ag Operations, Aquaculture, Digital Design, and Digital Information Technologies. Many of our CTE programs have a professional relationship with community businesses and trade schools. Taking these courses allow students to gather information, earn nationally recognized professional certificates, and expand their career network while still in high school.

We are looking forward to hosting Open House and getting to meet our students face to face for the first time this school year. Our Sophomore Open House is an event that is exclusive to our incoming 10th graders and their parents. The Sophomore Open House will be held on Thursday, August 3 at OHS main campus from 6:00 PM to 8:00 PM. This event is more structured to allow for both students and parents to ask questions. Parents will meet with the principal in the gym while students will gather in the OHS Lecture Hall. After a brief orientation for both groups, they will reunite with their new schedule and map in hand to roam the campus and meet their teachers. The traditional Open House for all other students will be held Tuesday, August 8 from 7:00 PM – 9:00 PM.

This school year will be the first that we will be going to school on an active construction site. As our campus begins to adapt to the changing landscape, parking may also have to undergo changes in location and availability. With so many unknown variables in the months ahead, the sale of parking stickers will be limited. Priority will be given to Seniors, then those who are in band, JROTC, athletes, and those who have proof of having a job. Parking is not guaranteed, nor is a permanent location promised. In the event that the construction process closes sold parking spaces, we will do our best to make accommodations in an alternative location. If we are not able to relocate all spaces sold, refunds will be given to those who no longer have a parking space. As in previous years, Seniors will be given the opportunity to purchase their parking passes first on Tuesday, August 8 from 1:00 PM – 4:00 PM. Juniors and Sophomores who are athletes or who have proof of employment will later be able to purchase parking stickers from 2:30 PM – 4:00 PM. All others may purchase parking passes during the first week of school. To expedite the process for parking stickers, students must bring their Driver’s License, Proof of Insurance, Vehicle Registration, and signed Drug Testing Permission slip. This year, we are asking Juniors and Sophomores who wish to park on campus to also provide proof of employment. We will have a list of athletes from previous years available. All students purchasing parking stickers on Monday, August 8 must have a 2.0 GPA, and must pay for any unpaid fines or fees. Juniors and Seniors that have a 3.5 or higher GPA will receive free parking. For all other students who have at least a 2.0 GPA,

parking fees are \$40 per year. Students under a 2.0 GPA will be charged \$50 per semester. Students under a 1.5 GPA are not eligible to park on campus.

Daily decisions route your path to graduation. Are you choosing to move forward? Class of 2024, this is your year! Every Senior in your seat at Graduation on May 25 at 9:00 AM.

Looking forward to a productive and meaningful 2023-2024 school year!

Lauren Myers, Principal
Okeechobee High School

Okeechobee Freshman Campus Principal letter

Vicki Goggans

Dear Parents and Guardians,

Welcome back to the new school year! We hope this letter finds you and your families in good health and high spirits. As we embark on another year of learning and growth, we are thrilled to have your child as a part of the Okeechobee High School Class of 2027!

Our experienced faculty members have carefully designed a curriculum that aligns with the academic standards and challenges of high school. We will be focusing on building a strong foundation in core subjects such as mathematics, English, and science. Students can begin to take challenging Honors Biology, Honors Geometry, Honors World History, and Advanced Placement classes when they arrive on our campus. Our elective courses will allow students access to arts and music, as well as entry level Career and Technical Education courses. Our courses will equip students for the full range of academic options, including Honors, Advanced Placement, and Dual Enrollment, available to them at Okeechobee High School. Students needing support in reading will have Intensive Reading and personalized instruction using Read 180. Students who need math support will have Algebra 1a this year, providing them with two years of Algebra instruction before taking the graduation requirement End of Course Algebra 1 exam. Students will hear early and often about both promotion and graduation requirements, ensuring they understand that this first year sets the foundation for what is to come.

We would like to emphasize the importance of a strong partnership between home and school. Your involvement in your child's education plays a vital role in their success. We encourage you to stay engaged, keep track of their progress on Skyward, attend parent-teacher conferences, and reach out if you have questions or concerns. By working together as a team, we can ensure that your child receives the best possible education.

We are excited to embark on this educational journey with your child and look forward to a successful and rewarding year. It is time to teach the Class of 2027 The Brahman Way and the long standing traditions of Okeechobee High School. Thank you for your continued support, and here's to a fantastic 2023-2024 school year ahead!

Warm regards,

A handwritten signature in black ink that reads "Vicki M Goggans". The signature is fluid and cursive.

Vicki Goggans, Principal

Okeechobee Achievement Academy

Principal letter

Audie Ash

Dear Students, Staff, Parents/Guardians and Community Members,

I hope this message finds you rejuvenated, refreshed and ready for another exciting school year at Okeechobee Achievement Academy. We are enthusiastically awaiting for the 2023-24 school to start on August 10th. OAA's staff is excited about providing an array of engaging and rigorous learning experiences to all of our students. We are expecting to see every student grow in their confidence as a learner and be committed to lifelong learning.

I am pleased to lead OAA's highly qualified staff for a second year. We have a dedicated and caring group of teachers and support staff that pull together to help all our students learn and grow into a better future. Our teachers and staff support and encourage students to demonstrate their learning through writing and various assessment activities. This year our teachers will be focused on building resiliency, engaging and motivating students, knowing individual student needs, and fostering academic and social success.

Resilience or grit is a competency that we believe is fundamental to our student's success. In order to survive the increasingly competitive and global demands of our world, our students will need the ability to fight through struggles and rebound from setbacks. Therefore, we understand it's our responsibility and obligation to foster a learning environment that build's one resiliency.

At OAA, we understand the important role that mistakes and failure play in the improvement process. As a staff, we work to model that truth. We as a school will acknowledge our mistakes and failures and work together to improve in all areas. Thus creating an environment that ensures that all feel safe, secure and respected. Our students will learn at their highest level because they are challenged, supported, respected, and cared for. In addition, together we will celebrate our successes and achieving our individual and school wide goals.

Last year we expanded our acceleration programs (REACH and GAP) and provided many middle and high school students, that were in danger of falling behind and dropping out, with a plan to succeed academically and catch up with their graduation cohort. We are excited about continuing this work for students to avoid retention and stay on track to graduate with their class. Our GAP program continued to produce graduates with many of these students becoming early graduates.

Students, please remember that you are ultimately in control of your learning. OAA has an amazing staff who will provide you the opportunities to grow academically and socially. However, we need your commitment to achieve and improve to ensure that you take advantage of these opportunities. I believe all of you can learn and succeed. So, let's work together to create a positive and safe atmosphere that ensures that all of us develop and improve.

Parents, your involvement is vital to our student's academic and social success. Therefore, please encourage your student to come to school every day. Daily attendance and regular communication with your student's teachers are essential for your student's academic, social, and emotional growth. I would like to encourage you to join the OAA School Advisory Council. We need your input and are happy that you and your students are part of OAA.

Please join us for Open House on Tuesday, August 8th from 6:00-8:00 PM. Our teachers and staff look forward to meeting you and welcoming you to our school. The first day of school is Thursday, August 10th.

If there is ever anything you need, please do not hesitate to call me or stop by my office.

Go Jaguars!

Sincerely,
Audie Ash, Principal
Okeechobee Achievement Academy

“Caring Beyond Prescription” Heartland Discount Pharmacy

Locally Owned. Locally Loved.

**Serving the Community
since 2010.**

Bringing Care Back to Healthcare

Do not fill your prescription without verifying
the price with Heartland Discount Pharmacy

The core values of Heartland Discount Pharmacy are Caring, Compassion and Empathy for our Patients

OUR GOAL IS TO MAKE HEALTHCARE MORE AFFORDABLE

Here is how we are different...

Does your pharmacy accommodate
your special needs?

Does your pharmacy keep your
prescriptions up to date with refills
and stock status, etc.?

Does your pharmacy have spare
time to discuss your health?

Does your pharmacy have time to
find ways to save you money on
your prescriptions?

Does your pharmacy handle
SPECIALITY PRESCRIPTIONS and
on demand **COMPOUNDING**?

We have ways to help Medicare patients not fall into coverage gaps or donut holes

Now...it's time to think about changing your pharmacy!

PHARMACY THE WAY IT'S SUPPOSED TO BE

- Best cash price in town
- FREE same day home delivery
- We help patients not to fall into Medicare coverage gap or donut hole
- We match all Competitors' Generic Prescription Drug Programs
- We Accept All Insurances including Medicaid, Medicare, Part D and Worker's Compensation
- **Flu, Pneumonia, Shingles, COVID-19, COVID-19 Booster and other vaccines available**
- Now providing RX Compounding
- Medication Synchronization
- **Special Weekly Bubble Packaging**

EXTENDED HOURS:
Monday-Friday 8am - 8pm
Saturday 9am - 5pm

407 S. Parrott Ave. Okeechobee
(Next to Arby's on Hwy. 441)
