FOR IMMEDIATE RELEASE

Colchester Police responded to a structure fire involving a modular home in the Breezy Acres Mobile Home Park located off of Creek Farm Road in Colchester that claimed the life of an occupant. At approximately 10:54 pm Tuesday night, Colchester Emergency Dispatch Center received 911 calls reporting a fire in a residential modular home on Eighth Street in the park. Arriving Colchester Fire Department units called for a second alarm which brought in assistance from Milton, Winooski, Essex Junction, Essex Town and St Michael's College. Colchester Rescue and Milton Police also assisted at the scene. Shortly before midnight, a body was located inside the remains of the structure. Colchester Police investigators will be joined by the Vermont State Police Fire Investigation Unit to determine the origin of the fire as well as the identity of the deceased. The modular home was heavily damaged in the fire. Anyone with information is asked to call Colchester Police at 802-264-5555.
